

Revised Notice of Participation at a Commission Meeting

September 26, 2022

Ref. 2022-M-04
Revision 1

Upcoming public meeting on the *Regulatory Oversight Report for Uranium and Nuclear Substance Processing Facilities in Canada: 2021*

The [Canadian Nuclear Safety Commission](#) (CNSC) will hold a public meeting in December 2022 where CNSC staff will present the *Regulatory Oversight Report for Uranium and Nuclear Substance Processing Facilities: 2021* (UNSPF ROR). The facilities and activities covered by the UNSPF ROR are located in the traditional and treaty territories of many Indigenous Nations and communities. **This revised notice is to announce the exact date for this presentation and the location of the public meeting.**

CNSC staff will provide an overview of the CNSC's regulatory efforts related to the CNSC-licensed uranium and nuclear substance processing facilities in Canada during the 2021 calendar year. The UNSPF ROR will cover the following uranium and nuclear substance processing facilities: Blind River Refinery, Port Hope Conversion Facility, Cameco Fuel Manufacturing Inc., Toronto and Peterborough facilities of BWXT Nuclear Energy Canada Inc. (formerly GE Hitachi Nuclear Energy Canada), BWXT Medical Ltd., Nordion (Canada) Inc., Best Theratronics Ltd., and SRB Technologies (Canada) Inc.

Date: **December 16, 2022**
Place: **Outaouais Room, 140 du Portage Promenade, Gatineau, Quebec, and virtually via Zoom**
Time: As set by the agenda published prior to the meeting date

The public meeting will be webcast live and available on the CNSC website at nuclearsafety.gc.ca.

To assist Indigenous Nations and communities, members of the public, and stakeholders in reviewing CNSC staff's UNSPF ROR, and as previously set out in the [notice of meeting](#) published on May 25, 2022, participant funding of up to \$50,000 was made available through the CNSC's [Participant Funding Program](#) (PFP). The deadline to submit a completed participant funding application form to the CNSC was June 27, 2022.

The UNSPF ROR is available for review on the [CNSC website](#), or on request to the Registry.

Persons who have an interest or expertise in this matter are invited to comment, in writing, on the UNSPF ROR by **October 31, 2022**, using the [online request form](#), [email](#), or the contact information below. The submission must include your name, address, telephone number and email address. In addition, in the spirit of reconciliation and in recognition of the Indigenous oral tradition for sharing knowledge, the CNSC will offer Indigenous intervenors the opportunity to make oral presentations. Oral presentations may be conducted remotely. **The request to intervene must include the following information:**

- a written submission of the comments to be presented to the Commission
- a statement setting out whether the requester wishes to intervene by way of written submission only or by way of written submission and oral presentation
- the requester's name, address, telephone number and email address

All submissions will be available for download on the CNSC website or on request to the Registry. Personal information, such as address and telephone number, is essential for linking the submission to its author. If you wish to ensure the confidentiality of your personal information, please submit it on a separate page.
