

Revised Notice of Public Hearing

April 7, 2022

Ref. 2022-H-02
Revision 2

The [Canadian Nuclear Safety Commission](#) (CNSC) announces a date change and additional location information for the [public hearing](#) to consider the application from New Brunswick Power Corporation (NB Power) to renew its nuclear power reactor operating licence for the Point Lepreau Nuclear Generating Station for 25 years.

In light of the number of interventions to be considered during Part 2 of the public hearing, an extra day (May 10) has been added to the hearing. Part 1 of the hearing occurred on January 26, 2022.

Date (Part 2): **May 10, 11 and 12, 2022**
Place: **Delta Hotels Saint John, Ballrooms A, B & C**
 39 King St., Saint John, New Brunswick
 (and/or virtual)

Time: As set by the agenda published prior to the hearing date

The public hearing will be webcast live on the CNSC website at nuclearsafety.gc.ca.

NB Power's licence renewal application is posted on its [website](#). NB Power's submission, CNSC staff's recommendations, and the submissions filed by members of the public are available [online](#) or from the Commission Registry using the contact information below. Further information on this hearing and on the public Commission hearing process is available on the CNSC website.
